COOL WHITE

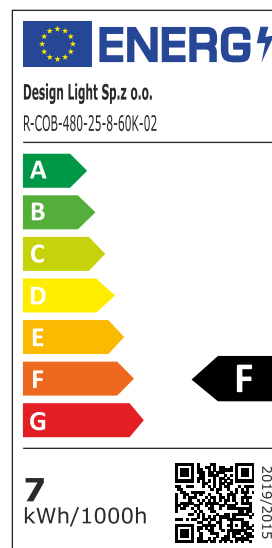

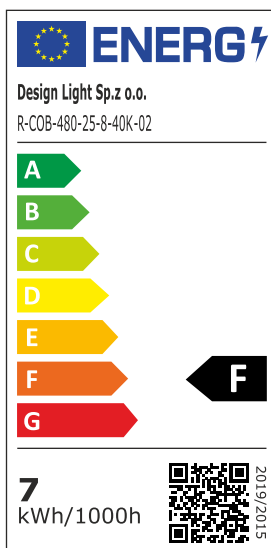

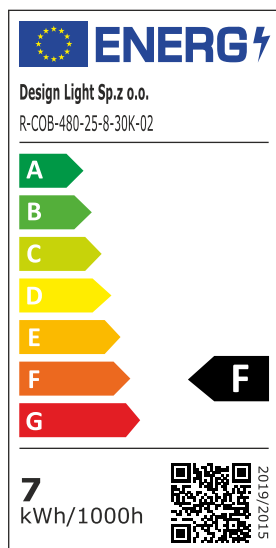

Index:

R-COB-480-25-8-60K-02

Code EAN:

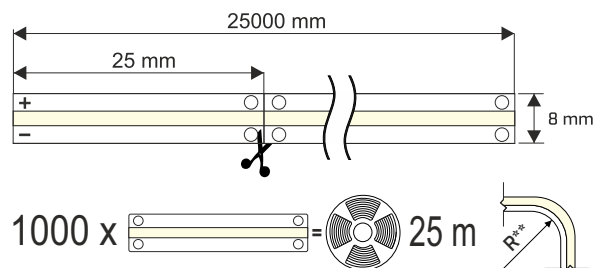

5908293408082

Energy label according to the new regulation (EU) 2019/2015

Product advantages:

- continuous line of light of 480 LED/m;
- 12V DC power supply;
- power of 12.8W/m;
- roll of 25 m*.

*ATTENTION! Do not connect into sections longer than 5 m!

**The minimum bending radius of the strip is R=12 mm.

Technical data:

Technical data for 1 m of strip: 480 LED, 12.8W, (WW 1180 lm, NW 1220 lm, CW 1260 lm), IP20, CRI≥80
